

Mike The Monarch
Get to Know
Tara del Fuego!

Tara is from Valladolid, Mexico

It's the land of the pyramid and
the jaguar

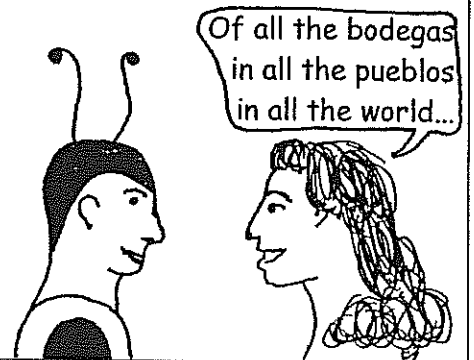

It's also the land of
slash-and-burn agriculture

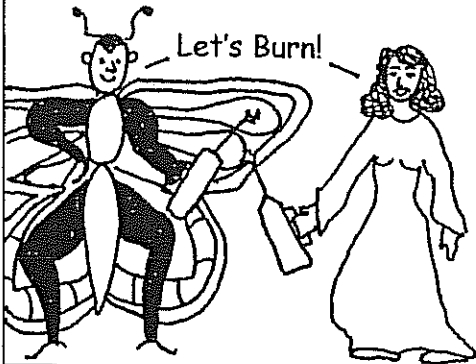

Tara wonders if fire can be used
to preserve the landscape

Then, a chance meeting
with Mike the Monarch

Mike and Tara share a burning
desire to preserve native habitat

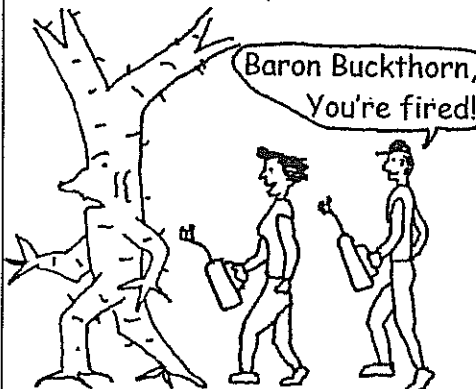

Tara sparks an interest in using
fire as a management tool

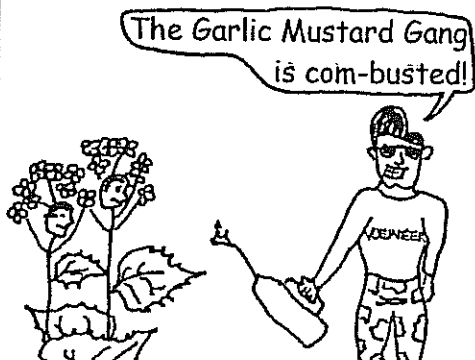

Restoration kindles a hotbed of
support among the public

The people are fired up about
battling invasive species!

Volunteers strike a victory
against alien invaders!

Thanks for enlightening us,
Tara!
