

Mike The Monarch

Great Moments in Alien Invasions

440 A.D.: Attila invades Europe

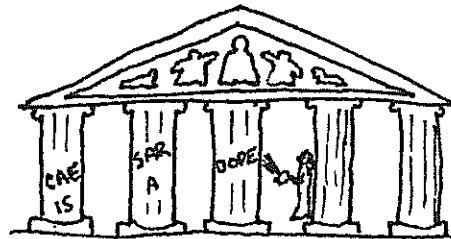

Good bye, sweetheart!

Bye, Hun!

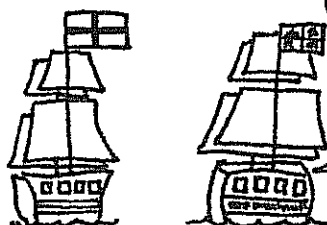

455 A.D.: Vandals invade Rome

Goths were here in 410

1588: Spain attempts to invade England with the Armada

Dios mio! We are out of barrels!

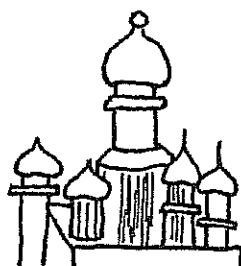

An obscure reference?

Yep.

1812: Napoleon invades Russia

A little snow can't stop me!

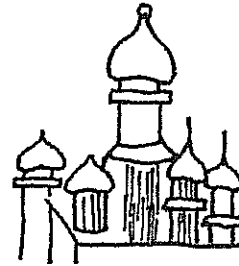

Is he able?

Not on Elba, eh? Sil

1940: Hitler invades Russia

A little snow can't stop me!

Sound familiar?

1968: Soviets invade Czechoslovakia

Did you pay Spolek?

A very obscure reference?

Extremely.

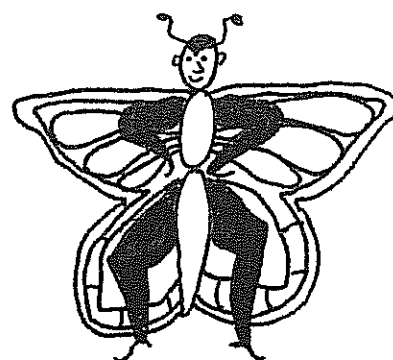

19th & 20th Century: Alien plants invade America

Baron Buckthorn

Big Al and the Garlic Mustard Gang

Now this is an invasion we can deal with!

Volunteers take arms against a sea of aliens—and by opposing end them.

Sound familiar?

Volunteers never give in. Never, never, never, never.

Sound familiar?

Once more into the woods, dear friends, once more!

Who writes this stuff?
