Two Heads Are Better than One!

EMPIRE HOTEL

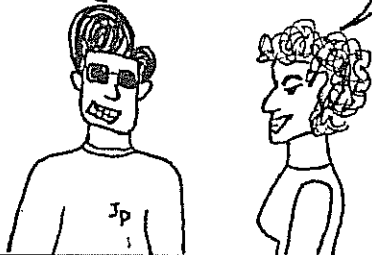

My mellow is so harshed. I wish I had a river I could skate away on.

Some people still think we can manage land by leaving it alone.

That's crazy, man, Flipsville, Flip City.

Let's work together to convince people that habitat has to be managed and restored!

You know two heads are better than one!

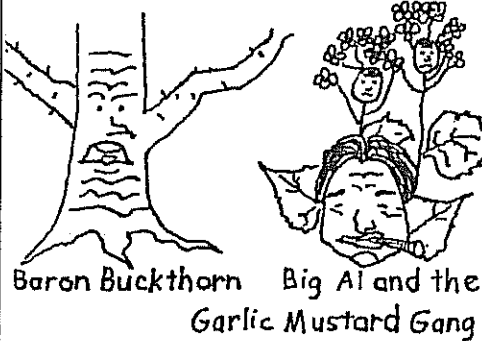

Look at all those new volunteers! From the south end of Illinois to the north!

By the time we get to Woodstock, we'll be half a million strong!

That might have been OK 200 years ago, but let's talk in present tenses.

You're right! Let's go out and spread the word!

Get out your cane—I'll put on my finest silver!

People of Illinois! It all comes down to you!

We've got to get ourselves back to the garden!

Thanks, Vi. Sorry I was so down.

Jake, you're a mean old daddy. But I like you.
